

# WHAT TO BRING

Sleeping bag & Pillow, toiletries, towels, Winter Coat!!! Bible, pen, notebook, flash light, snacks, camera.

At least \$20 - 30 in spending money is suggested, but optional.

# WHAT NOT TO BRING

Movies, secular music (clear ipod if needed), alarm clocks, board games, video games, tobacco products (shouldn't be a problem) clothing promoting things that violate Ph. 4:8, and whatever else I may deem as a distraction upon arrival to FWC.

# LUGGAGE

Please note that we are going to be away for 2 and a half days. Space, however, is limited. Therefore, we are asking that you keep your luggage to the bare minimum. You will be allowed **one medium sized suit case** and **one backpack sized carry on** along with your sleeping bag and pillow. Please be aware that we will not have room for anything else. Please keep in mind that it is late February and therefore cold. Pack appropriately.

# DETAILS TO REMEMBER

Please be at FWC (High Way) no later than 5p on Fri. February 24, as we will be loading the luggage and preparing to leave. We will be pulling out FWC with or without you at 5:45p. (We will be attempting to be back at FWC by 2pm on Sunday February 26. We will call ahead if it appears we are going to be later.) Everything regarding our itinerary can be found at [www.ph121.org](http://www.ph121.org) on the 127 Glory//Renown links.

Please note the "Not to Bring" stuff and know that those things will be confiscated immediately, so don't waste your time bringing them. If they are found after our departure from FWC, they will not be given back! (It will most likely be broken or thrown away)

If you have any prescription med., please give it to the designated trip nurse (Stephanie Reid) before getting on the bus, along with the times you are supposed to take it. (Write it down for her) If this is a problem please let her know before hand so arrangements can be made.

Strict PDA rules will be enforced. No girls and guys are to be off alone regardless of where it is. (Hand holding may result in pregnancy!) No going in the opposite sex's cabins for any reason! **Stay out!!!**

Girls, please do all of the guys a favor and be very careful with the things you wear. Avoid tight revealing clothing. We want our guys focused on Christ, not you. In other words, dress modestly.
